

# Ysgol Uwchradd Dewi Sant St. David's High School

Pennaeth : Craig Burns: BA(Hons), PGCE, NPQH, PGDip: Headteacher

*"To be the best you can be, every day"*

## EXTREME WINTER WEATHER CONDITIONS

Student's Name: \_\_\_\_\_ Group: \_\_\_\_\_

If we experience the above conditions, we will always try to make a decision regarding opening or closure before the start of school and in good time. Information will be conveyed via the following means:

Flintshire Council Website: [www.flintshire.gov.uk](http://www.flintshire.gov.uk)  
School website: <https://www.stdavidshighschool.org.uk/>  
Marcher Sound / Dee 106 FM Chester / Radio Wales

Please go to the council website in the first instance as this will be updated more frequently by a central team acting upon information received from all schools.

If we experience a situation where the extreme weather occurs during the course of the day, I will carry out a risk assessment to determine whether we remain in school or send students home because of worsening conditions on the roads.

Should such a closure be considered necessary we will send a text message to all parents.

### In such an event, please indicate your preference:

I would prefer my child to be sent home, either by walking or via school transport, rather than risk worsening road conditions. He/She will have a key and be able to remain safely at home or go to the house of a friend, relative or neighbour.

I would prefer my child to remain on site until the end of the school day and I will organise his/her collection and safe return to the family home. School staff will remain on site to supervise students where this is the case.

Please note that if we needed to close during the course of the day, this would only occur if absolutely necessary.
