Re: Yr7/Yr11/PSE/Skills

Dear Parent/ Guardian,

As part of a joint project between the Welsh Baccalaureate Skills Challenge Certificate qualification and the PSE department, all Year 7 students will be receiving PSE sessions that have been created and delivered by our Year 11 students.

This annual project provides our Year 11 students with the opportunity to complete their Community project by raising awareness about some of the following issues:

- An introduction to British Sign Language
- Understanding Braille and the RNIB
- Crime and Anti-social behaviour
- Dangers of open water
- Fire Safety
- Being safe online
- Mental Health awareness
- Careers education
- The Welsh Charter

Each Year 7 class will have several special collapsed timetabled sessions over the following half term to take part in the activities planned by the Year 11 students.

This is a fantastic opportunity for both year groups and has proven to be a very successful project in previous years and as ever, we appreciate your support.

Yours sincerely,

Miss Bethan Edge
Head of PSE and Careers
