

AOLE	Subject	Year	Assessment
Mathematics and Numeracy	Maths	7	Constructing and geometric reasoning.

Progression Table		
Progression Indicator	Knowledge	Skills
<b>Excelling</b>	<p>I know how to use parallel line angle rules.</p> <p>I can solve more complex angle problems.</p>	<ul style="list-style-type: none"> <li>I can calculate the interior angle sum of any polygon.</li> <li>I can explain why parallel angle rules are valid.</li> <li>I can apply parallel angle rules to solve angle problems.</li> </ul>
<b>Advancing</b>	<p>I know how to classify lines.</p> <p>I know how to classify polygons.</p> <p>I know how to calculate the interior angles of a polygon.</p> <p>I know how to construct a triangle.</p> <p>I know how to draw an angle greater than 180 degrees.</p> <p>I know how to use a pair of compasses to construct a triangle.</p>	<ul style="list-style-type: none"> <li>I can classify perpendicular and parallel lines.</li> <li>I can draw and measure angles between 180 and 360 degrees.</li> <li>I can identify and Classify polygons up to 10 sides.</li> <li>I can construct triangles.</li> </ul>
<b>Securing</b>	<p>I know how to classify four sided shapes by their characteristics.</p> <p>I know how to measure an angle in a four sided shape.</p> <p>I know how to describe a turn.</p> <p>I know how to classify a triangle based on its characteristics.</p> <p>I know how to read an angle on a protractor.</p> <p>I know how to classify an angle.</p> <p>I know how to draw and angle with a protractor.</p>	<ul style="list-style-type: none"> <li>I can identify and Classify polygons by up to 4 sides.</li> <li>I can connect angles to measuring rotation.</li> <li>I can identify and Classify angles.</li> <li>I can measure and draw angles up to 180 degrees.</li> </ul>
<b>Beginning</b>	<p>I know how to draw a line accurately with a ruler.</p> <p>I know how to measure a line accurately with a ruler.</p> <p>I know how to label an angle.</p>	<ul style="list-style-type: none"> <li>I can apply letter and labelling conventions including those for geometric figures.</li> <li>I can draw and measure line segments including geometric figures.</li> <li>I can use a range of equipment to measure.</li> </ul>
